

## Access the interface

To access the Interface, you must point your Web Browser to the URL provided during installation.

By default the Visualisation Tool is accessible on the dedicated port 7767 (HTTP). For example : <http://172.16.1.130:7767>

## Log in to Shinken Enterprise

1. Enter your **Username** and **Password**
2. click the **Sign In** button.

### Please Note:

- If an error has occurred (wrong login or password), you will be prompted.
- If shinken is connected to active directory, it will be your usual account.
