

## Overview

Cette liste présente les éléments nécessitant d'être réglés.

The screenshot shows the Shinken Enterprise Overview page. The interface includes a top navigation bar with 'Hive', 'Lists', and 'Wall' tabs. Below the navigation bar is a table listing various hosts and checks. The table has columns for Icon, Type, Host, Check, Priority, Tags, Managed By, Context, Status, and Output. The status column shows various icons indicating the health of the checks, such as 'DOWN' (red circle with a cross) and 'CRITICAL' (red circle with a cross). The output column provides details about the check results, such as 'check\_icmp: Failed to resolve oracle-bad-1'.
